JACK!

A storytelling musical
from Little Seeds Music.

What to expect

The performance will last 1 hour, without any break.

You will hear lots of different musical instruments being played. Sometimes these might be loud and sometimes they might be quiet.

You will hear lots of songs and three stories. The stories can sometimes be:

- Funny and silly
- A little bit sad
- A little bit scary

What to expect when you enter the theatre:

The stage will be designed to look like a living room. There'll be gentle music playing. The rest of the audience will also be seated.

Who you will meet:

Jack, who plays guitar, piano, sings and tells stories.

Oli, who plays clarinet & saxophone.

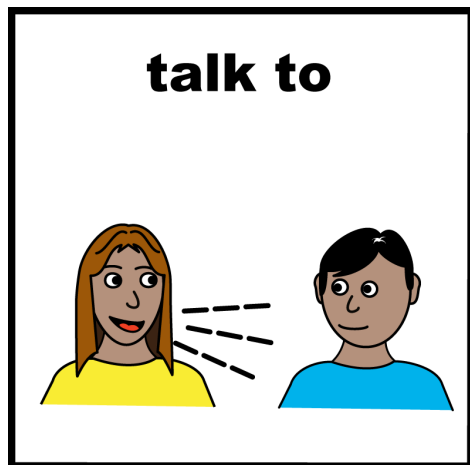

Sean, who plays the double bass.

What to expect during the show:

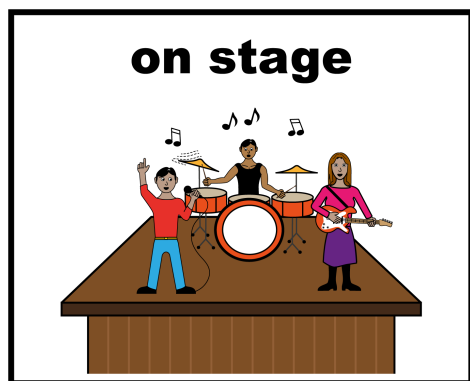

Jack will explain that he is trying to find a song to record as a present for his Dad's birthday. Oli and Sean have come to help him.

Jack will tell three different stories.

Sometimes he will talk to the audience and ask them questions. It's OK if you don't want to join in for these parts of the show.

In the first story Jack will invite three audience members on stage to put on hats. It's OK if you don't want to join in for this part of the show.

At the end of the show the audience will clap their hands.

You can clap your hands too if you would like to.

You can come and talk to the performers after the show if you would like to.
