Hello!

Welcome to your Inspire Adult Learning Course Guide: your complete guide to all our courses for adults for September to December 2024, across Nottinghamshire and online!

Whether you want to progress your career with a recognised qualification or are just looking to have fun and ignite your passion for a new hobby, our courses are for everyone. Many are short enough to easily undertake around your other commitments, but still offer a fun, friendly, high-quality learning experience.

In this guide, you'll find an amazing range of courses for both adults and families, taking place at Inspire libraries and community venues across Nottinghamshire. If you can't make those, don't worry – we also offer online and distance learning courses, designed for you to learn from the comfort of your own home.

Distance Learning

Some courses are accredited – this means they provide you with a recognised qualification in a particular subject, such as maths or IT. Courses approved by a professional awarding body can make you more desirable to employers, whether that's being offered a better salary, the chance of promotion, or just getting your foot in the door. If English isn't your first language our ESOL courses are for you – work towards nationally recognised qualifications and boost your skills and prospects.

Find out more

Visit inspireculture.org.uk/accredited for more information on accredited courses, and a guide to course fees. Accredited courses can be identified by a '★' in this guide. All our courses are taught by friendly, experienced tutors and we're an Ofsted registered Good provider as well as winner of the 2020 Tes FE Award for Community Learning Provider of the Year.

How to use this course guide

Check out our adult learning courses to find the right learning programme or course for you in our easy-to-use listings.

Courses are listed by subject area and per term. When viewing the listings, you'll see the title of the course, dates, venue or if it's online. More information about the individual course will be listed on the booking page online, so you can read up on all the details before you enrol.

Visit our website: inspireculture.org.uk/learning

Look out for the green star '★' to find our accredited courses if you're looking to gain a qualification, such as in maths or IT.

Courses marked with a blue dot '●' are part of our Multiply programme, helping you to improve your day-to-day maths skills in a relaxed, no-pressure environment; turn to page 15 for more info.

You will also find our distance learning courses. These won't have dates listed as they are online, ongoing and flexible for you to start when it's convenient for you.

We'll be adding more courses throughout the year and from time to time we may need to make some changes. **Visit our website or your local Nottinghamshire library for new courses and updates!**

Our Subcontractors

Inspire Learning and Nottinghamshire County Council currently uses a proportion of the Adult FE funding to support seven local grassroots community organisations to deliver specialist, bespoke non-accredited learning on our behalf. These organisations have skills and links to local residents that help Nottinghamshire County Council and Inspire Learning to widen participation and increase our work with hard-to-reach adults.

Creative Paths

Creative Paths CIC believes that everyone should have access to good quality arts, culture and creative opportunities. Our courses are planned and designed to support people living in care to have fun, learn and enjoy their lives to the full. We have been providing courses and learning in care settings across the county for the previous ten years, with a mix of reminiscence and creative activities.
